My journey with dance began at the age of 7 in Delhi, where I immersed myself in the art of Kuchipudi. That spark ignited a lifelong passion, leading me to establish Dansation, where I empower everyone to dance, regardless of age or strength. Whether it's witnessing the boundless energy of youth or the graceful movements of seniors, it's all a source of joy for me. Volunteering to teach Hindi and dance allows me to fuel my cultural passion. From Classical to Bollywood, I groove to it all! And those awards in competitions? Well, they're just the Cherry on top.
