PRESIDENT'S MESSAGE

On this auspicious occasion of 39th Edition of Dance Pe Chance (DPC) – celebrating the 74th anniversary of India's Republic Day -- I, as the president of FIA, forward you my warm felicitations.

Wish Great Success to DPC2023!

In 2022, the FIA team has taken the FIA to a new height with events on social and community fronts as well as orchestrating world-class events such as World's Largest India Day Parade, setting of two Guinness World Records and displaying it to an epic 1.4 million+ spectator group from over 90 countries that witnessed the 41st India Day festivities. There were live audience, who according to NYPD estimates surpassed over 150,000 attendees' mark. I am proud to continue in the foot prints of elevating the FIA and all of its events on a grandeur scale. We have resonated our unique message of unity in diversity and harmonious co-existence across the globe. The collective success has been attained with a collective effort for which I express my sincere gratitude to my executive team, FIA Chairman Ankur Vaidya, the voting Board including -- trustees, advisors, friends and colleagues. I am able to serve selflessly and devote extensive time with blessings from my parents, devout support from my wife and encouragement and assurance from my children. I, wholeheartedly, thank my family to stand by me in this highlighted moment of my life.

FIA, as you know, has represented our community during the pandemic time frame as well. This includes being recognized as covid heroes by NYC for our selfless service to serve over 5,000 meals and masks to first responders. For the motherland, FIA along with City of New York and Consul General of India, NY was able to successfully deliver valuable life supporting supplies and cargo worth over \$55 million through our ground partner Red Cross India. Most recently, FIA in association with JaipurFoot USA, People Media Group and Suma Kanakala ji, organized Free Artificial Limb Fitment camps in tech-city of Hyderabad in Telangana and holy-city of Tirupati in Andhra Pradesh, India. The 10-day long camps saw over 300 beneficiaries getting served.

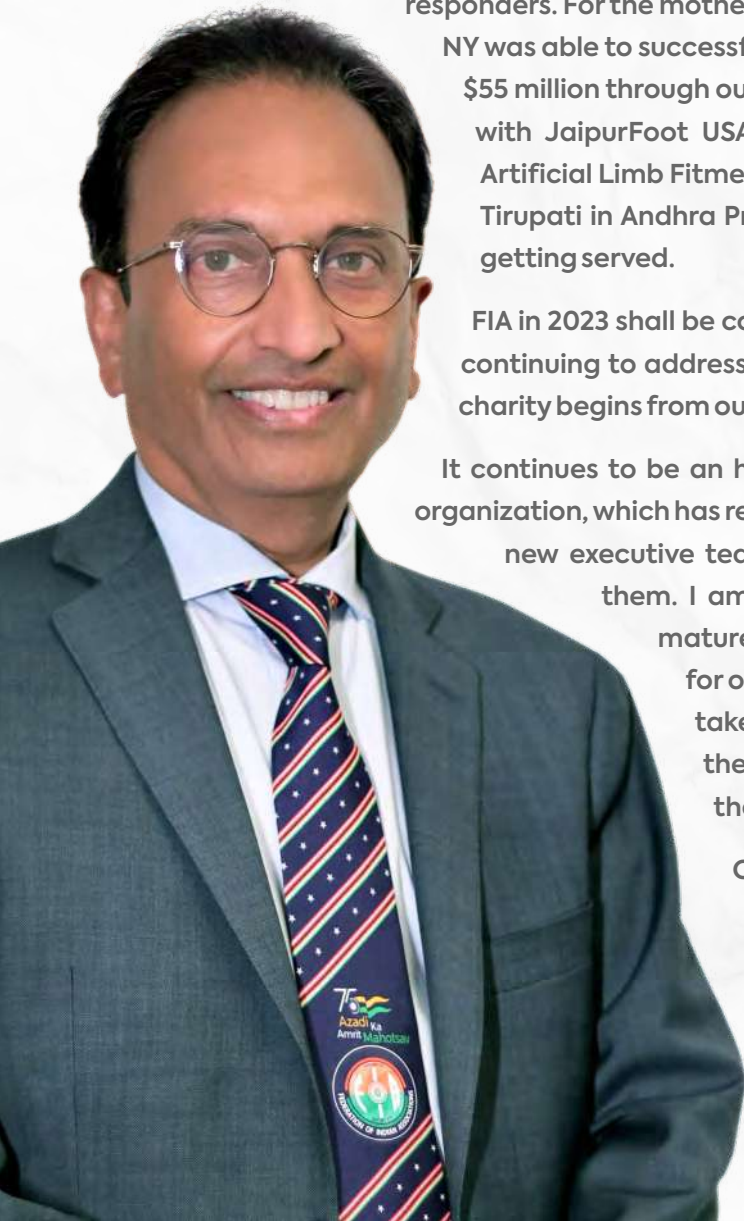

FIA in 2023 shall be cognizant and sensitive with taking up on unique social causes and continuing to address assistance to those in need. We will continue in our tradition of charity begins from our homeland of the USA and extends to our motherland.

It continues to be an honor and my distinct privilege to lead this premier and selfless organization, which has resembled the timeline and growth of our community. I welcome the new executive team, inform them of the selfless and challenging tasks ahead of them. I am confident that the new team consisting of hard working and mature community professionals will prove to be the leaders of tomorrow for our community. I will be counting on them for their cooperation, will take their advice and guidance throughout the year. I am certain that the 2023 journey will add another colorful and memorable chapter for the entire FIA 2023 team as well as for me.

On behalf FIA Chairman Ankur Vaidya, the voting Board including, trustees, advisors, friends and colleagues, I would like to thank all of our sponsors, media partners, and our community for your benevolent support and love given to us. I welcome you to join us in celebrating the 39th edition of Dance Pe Chance.
